Looking for after school care program for your child? Why not pick a program that focuses on academic studies and promotes the importance of an active lifestyle. In a fun and safe environment, **Element Tumble and Cheer** is here to help out busy parents by providing an afterschool care program that will not only benefit the parent but also the children.

Our foremost purpose of ETC's After-School program is to inspire young students to take a part in scholastic, creative, and athletic activities that focus on the development of gross motors skills and good study habits. Each student will follow a structured daily routine of snack, homework time, followed by various physical activities and structured tumbling, gymnastics and dance classes.

### **Pick-up...**

The students get picked up in our safe company vehicle, and are transported to our facility. We follow NEISD's academic school schedule, including all holidays and early release days.

### **Upon arriving...**

At ETC's facility, students will be provided a healthy snack. Students are permitted to bring their own snack or drink from home if they choose to.

## Putting Fun and Homework together!

### **After Snack...**

They will immediately be asked to begin homework time. Our staff will provide tutoring and assistance as needed. Students without homework will be given an academic based activity while other kids finish their work.

### **Following homework time...**

Students will split into various activities and attend their respective classes. Classes will be divided by age and ability .
